AGENDA TITLE: Maintenance and Energy Agreement With State for Traffic Signal at Cluff Avenue and Victor Road (Highway 12)

MEETING DATE: May 1, 1991

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution approving the maintenance and energy agreement with the State of California Department of Transportation for the traffic signal to be installed at Cluff Avenue and Victor Road (Highway 12).

BACKGROUND INFORMATION: The City is installing traffic signals at Cluff Avenue and Victor Road using Federal-Aid Urban (FAU) funds. This agreement covers the sharing of costs for the maintenance and energy used at this signal after the project has been completed. Under this agreement, the State will furnish one California Type 170 controller assembly for the project. They will also pay 50 percent of the cost to maintain and operate the entire traffic control signal system and lighting at this intersection. This agreement is similar to other agreements with the State to cover the maintenance and operation of signals along Highway 12.
